Dear Sir,

S.P.F Account No. 821

1402. The amount at my credit in State provident Fund Account was over Rs 26,000 when I retired from service on 15th May 1934 and this amount was paid to me by a cheque in June 1934 with interest to end of April 1934. The comptroller says that my request for passing the interest due for the month of May 1934 during which the amount remained with the Government cannot be admitted under the rules in force. I am not claiming interest for a broken period of a month as stated in his letter of 22nd Aug. 1934 but for the full month of May 1934.

I request you to kindly call for the papers and obtain sanction of Government to pass the interest claimed by me for the month of May as a special case at least.

Yours sincerely

M Rangaiya

Bangalore, dated 22nd August 1934

Dear Mr.Rangaiya,

Your letter dated 17-8-34

I write to state in reply that the rules of the State Provident Fund are quite clear that interest has to be paid only upto the end of month immediately preceding that on which an officer quits service under the Note to Rule 5 of the State Provident Fund Rules.

The procedure of allowing interest for broken periods of a month is not in vogue even in the case of any interest-bearing balances held in deposit either in Banks or Treasuries and the sug-gestion in your letter is therefore not financial acceptable particularly in the case of Service Funds No other retired officer has asked for a similar concession.

In the circumstances I feel that it would not be right that I should refer your request to Govern-ment at my initiative.

Yours Sincerely,
Sd/ A.N. Raghavachar

Mr. M.G.Rangaiya retired on 15-5-34 as stated in his letter dated 23-9-34 addressed to Government. Kind reference is invited to the Note to State Provident Fund Rule 5 under which interest is allowable only upto the end of the month immediately preceding that in which an officer retires, that is upto the end of April 1934. If the request of Mr. M.G.Rangaiya is to be complied with as a special case, perhaps this may constitute a precedent inviting similar requests from others.

Reg G. 2) Note to Rule 5 clearly states that when a subscriber, being in Govt. service, retires, interest will be allowed up to the end of the month immediately preceding that in which he quits the service. Accordingly the request of Mr. M. G. Rangaiya is inadmissible & cannot be granted. Submit for orders.

3) Compare with Govt of India Rule -

4)

Serial No.

5) The rule in British India ~~is also the same. It~~ runs as follows: -

6) Before the amount at an officer's credit in the Fund is finally paid under rules 10, 11 or 17, his account shall be credited with interest up to the end of the month preceding that in which the payment is made, or up to the end of the 6th month ~~preceding that~~ after the End of the month in which ~~the payment is made~~ he quitted the service or died, whichever of these periods is less (Vide page 4 note 2 of the Govt. of India rules flag N).

7) There appears to be no justification for granting the request.

8) It is the duty of the Subscribers to make arrangements on retirement to draw the amount of their accumulations in the Fund.

9) Mr. Ranjaiya says that as the amount at his credit was paid in June by means of a cheque, the interest for the month of May should be given to him in view of the fact that the money was with Govt. Why there was delay in payment is not clear. It is however necessary to ascertain when the application for payment was received in the Comptroller's office & when the cheque was sent.

IW 18/10/34

10) There is a slight difference between our rule & the G. I. Rule. In the former interest is payable upto the End of the month immediately preceding that in which

he quits Service - In the letter it is upto the End of the month preceding that in which payment ~~was~~ is made. When and why this Change in the G.I. rule was made and whether a similar change is desirable in ours may be ascertained from the Comptroller. 11) When payment was made to Mr. Rangayya and if there was delay the reason therefor may also be ascertained. 12) To comply with Comptroller's.

13) Our rules in the State Provident Fund are in accordance with the Government of India rules of 1919 wherein interest is allowed up to the end of the month immediately preceding that in which one quits service. In the Government of India rules of 1926 however interest is authorised to be paid up to the end of the sixth month after the end of the month in which one quits service or dies &c. If our rule is to be amended accordingly and permitted to be applied to Mr. Rangaiya's case his request could be met. But this may

lead to other similar requests for concession. There was no delay in this office in auditing and paying Mr. Rangaiya's Bill since the bill was received only on 31-5-34 and payment authorised on 1-6-34.

Submitted.

14) There was no delay in the comptroller's office in dealing with the case. So the only point to be considered is, whether our rules have to be altered so as to correspond with those of the Govt. of India. Our rules as they are, throw the burden of taking care of his money on the subscriber, the day he retires. The Govt. of India gives 6 months more. whether it would be to the advantage of the Govt. to have call money with it for six months is to be considered. It is probably not an advantage. In this view our rules need no modification. Hard cases may be treated as Special cases for indulgence being shown and Mr. Rangayya's case dealt with accordingly.

H Secy) 14/11/34

15) It is in one sense not fair to deny interest on the balance in the P.F. account which is the money contributed Entirely by the Govt

himself. It is no doubt 'call money' but the rate of interest is only slightly higher than the S.B. rate which is also for call money. For some reason or other an officer may not be able to withdraw it on the first day it could be withdrawn and the Govt of India rules allows interest to accrue with withdrawal subject to a maximum period of six months

16) I think the Govt of India rule is reasonable and may be adopted ~~in the~~ and the benefit of the revised rule given to Mr Rangayya. He will then get one months interest of which he is now deprived. The Govt of India rule is ~~Contra~~ found at A above and our rule at 'B' above.

17) If it is decided not to revise our rules, then we cannot make an exception in the case of Mr Rangayya and his request will have to be refused following our present rule.
